

## **Winnetonka Marching PRIDE Band**

Leadership 2017

Thank you for submitting your application for a leadership role in the 2017 Winnetonka Marching PRIDE Band. Your videos were impressive and illustrate commitment to our band and a strong desire to move forward together. We have an exciting year ahead of us and we will need everyone to positively contribute to the success of our marching season.

There were a few recurring themes throughout the videos that I'd like to share with the entire ensemble because this is EXACTLY how we will achieve our goals:

1. Optimistic attitude
2. Helping each other become better players and marchers
3. Growing as a family
4. Demonstrating respect and responsibility
5. Dedication to our band and working together to achieve goals

*I am looking forward to meeting you on Friday! Congratulations on a fantastic year—many exciting opportunities to come!*
